DISCLAIMER

Assignee hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of any patent granted on Assignee's U.S. Application Serial Nos. 10/624,682 and 10/637,574, and hereby agrees that any patent so

granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent granted on Assignee's U.S. Application Serial Nos. 10/624,682 and 10/637,574, the agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Assignee does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent granted on Assignee's U.S. Application Serial Nos. 10/624,682 and 10/637,574, should either expire for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims canceled by a re-examination certificate, is reissued, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

FEE

Attached is the appropriate \$130.00 disclaimer fee set by 37 C.F.R. §1.20(d).
